

PLUG IN. POWER ON. DONE.

# ReadyToGo DALI Broadcast Push Button Switch Kit

DALI dimming made simple and intuitive. Ready for everyday use.

## KEY BENEFITS

- ✓ Combines the simplicity of a traditional light switch with advanced DALI control.
- ✓ Intuitive push-button: press to turn on/off, hold to dim.
- ✓ Broadcast kit requires no programming or commissioning.
- ✓ Simply wire and start controlling DALI lights instantly.
- ✓ Includes illuminated push-button, 70mA DALI power supply for control of up to 30 DALI lights.

## KIT VARIATIONS

**One Way Push Button — White/Black**

Single-gang push button dimmer mechanism with DALI broadcast controller. Ideal for straightforward zone control from a single switch point.

**Two Way Push Button — White/Black**

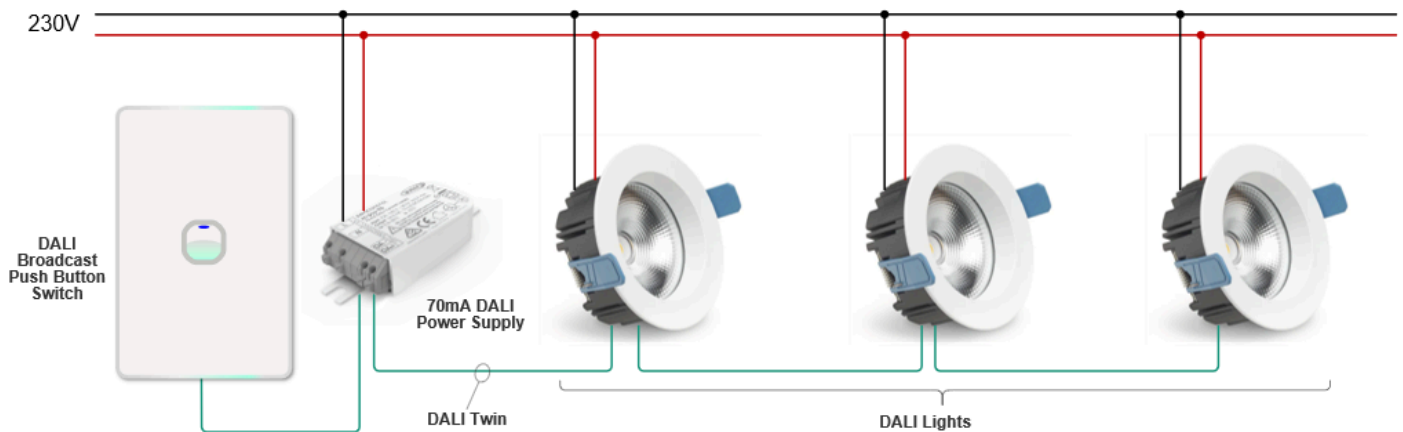

Two way push button dimmer mechanisms with DALI broadcast controller. Supports control from two switch points within the same DALI broadcast zone.
