

PLUG IN. POWER ON. DONE.

ReadyToGo Smart DALI Control Switch

DALI lighting control made simple to use

KEY BENEFITS

- ✓ Push button control of your DALI lights
- ✓ Includes a variety of button functionalities
- ✓ Supports control of multiple DALI groups via inbuilt line programming feature.
- ✓ Simply wire and start controlling DALI lights instantly.
- ✓ Includes smart push button switch, 70mA DALI power supply for control of up to 30 DALI lights.

KIT VARIATIONS

Single Button Smart Switch — White/Black

Single-gang push button switch. Ideal for straightforward zone control from a single switch point.

Two Button Smart Switch — White/Black

Two-gang push button switch. Ideal for explicit zone control (on button, off button).

Three Button Smart Switch - White/Black

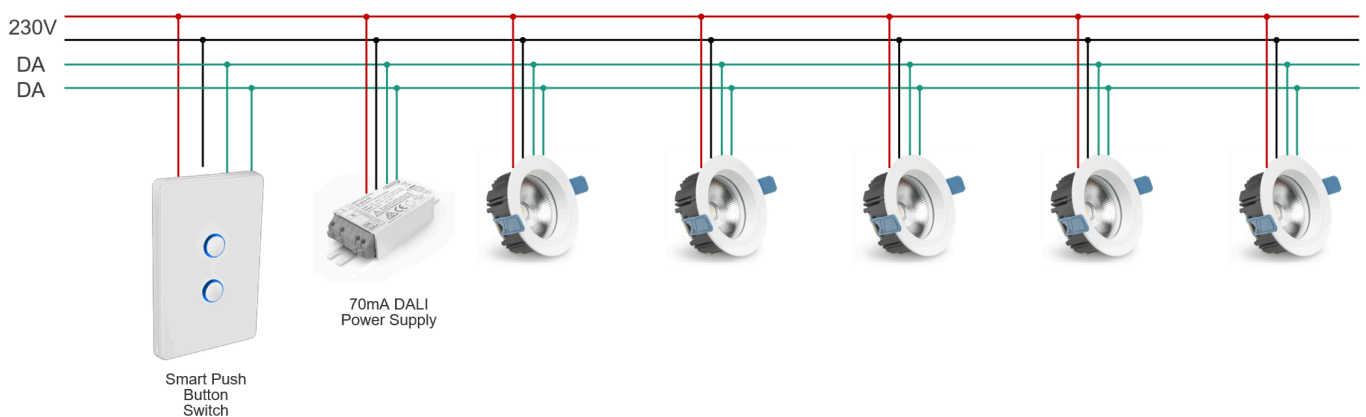

Three-gang push button switch Ideal for complex lighting (dimmer/scene control etc) or controlling multiple groups of DALI lights
