

PLUG IN. POWER ON. DONE.

ReadyToGo Wireless Switch Kit

Flexible switching without the hassle of cabling

KEY BENEFITS

- ✓ Wireless control kit with smart switch and relay for loads up to 10 A.
- ✓ Simple operation: press to toggle, with LED status indication.
- ✓ No control wiring required, ideal for fast retrofit installations.
- ✓ Easily expand with additional switches or relays for multi-point control and higher loads.

KIT VARIATIONS
